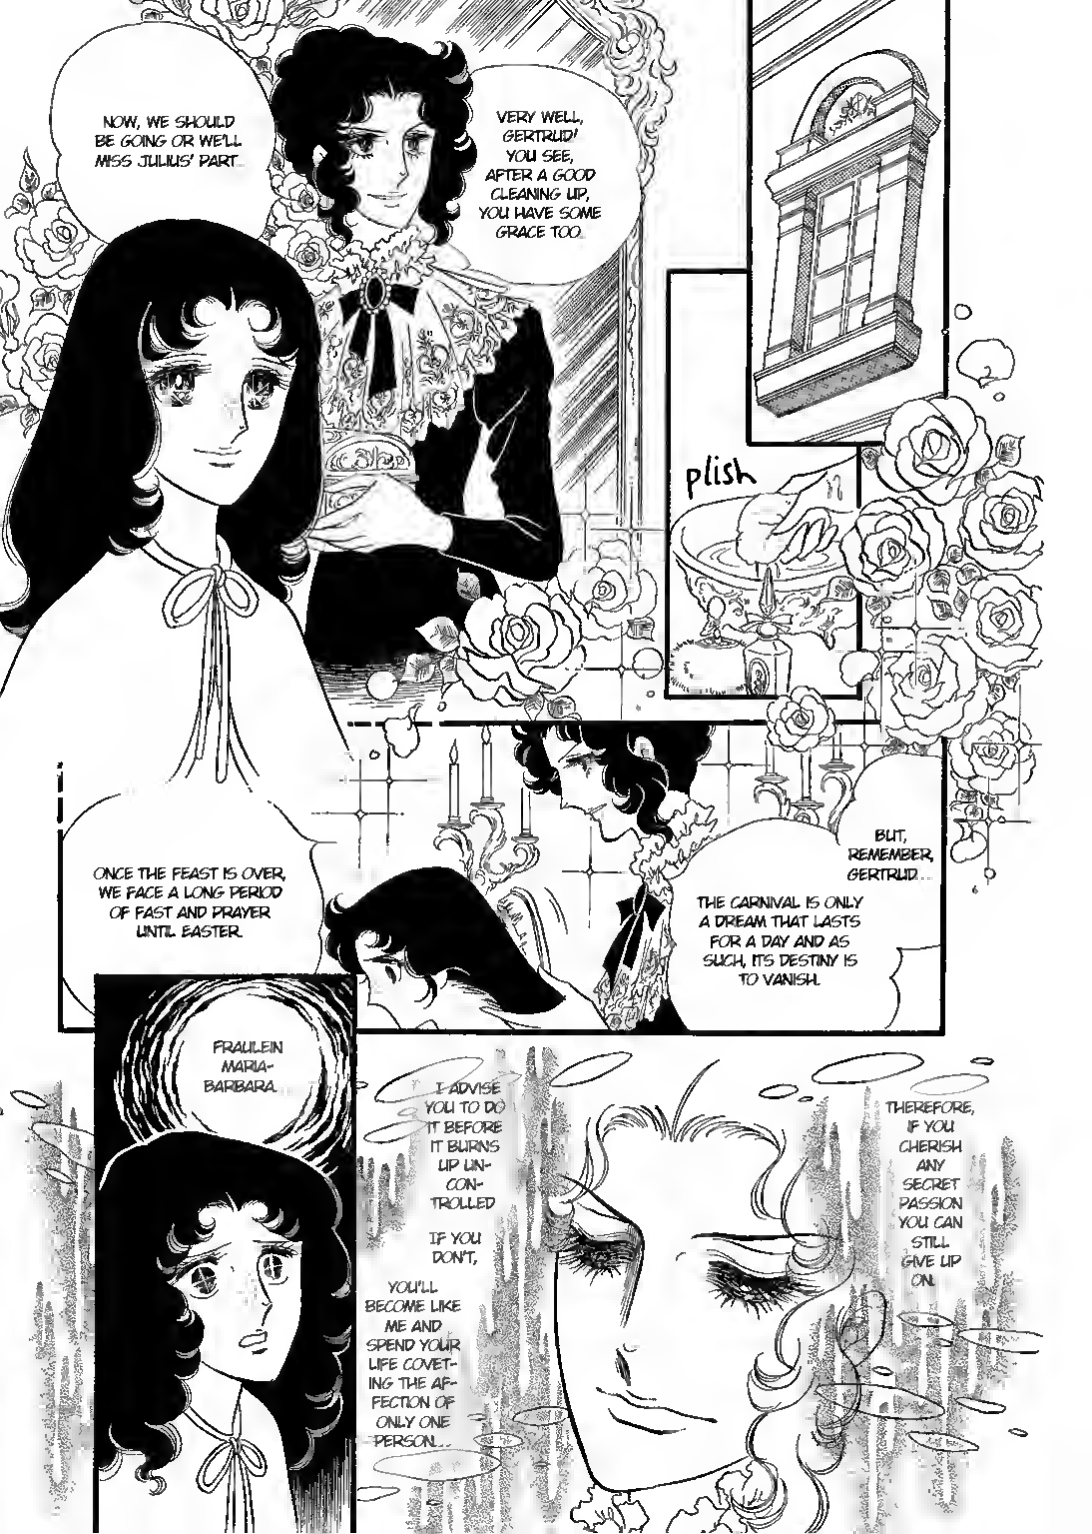
The Russian troops continued to withdraw from of the Japanese army,
The war between Japan and Russia, who disputed control over Manchuria, developed contrarily to initial presumptions.
Meanwhile, on the sea of the Far East, one heard the rumble of canons.

Here, the persuasive voice of the lavish Carnival spread across the city that waited for spring.
But the rumble of the Asian canons didn't yet reach the European shores.
which advanced northward towards Port Arthur and the Korean peninsula.



NOW, WE SHOULD BE GOING OR WE'LL MISS JULIUS' PART.
VERY WELL, GERTRUD! YOU SEE, AFTER A GOOD CLEANING UP, YOU HAVE SOME GRACE TOO.
plish
ONCE THE FEAST IS OVER, WE FACE A LONG PERIOD OF FAST AND PRAYER UNTIL EASTER.
BUT, REMEMBER, GERTRUD... THE CARNIVAL IS ONLY A DREAM THAT LASTS FOR A DAY AND AS SUCH, ITS DESTINY IS TO VANISH.
FRAULEIN MARIA-BARBARA...
I ADVISE YOU TO DO IT BEFORE IT BURNS UP UNCONTROLLED
IF YOU DON'T,
YOU'LL BECOME LIKE ME AND SPEND YOUR LIFE COVETING THE AFFECTION OF ONLY ONE PERSON...
THEREFORE, IF YOU CHERISH ANY SECRET PASSION YOU CAN STILL GIVE UP ON.

The Song of the Nibelungs

The fame of Princess Kriemhilde, sister of Gunther, the King of Burgundy, spread across many countries. She was said to be the most beautiful woman in the world.

Siegfried was the prince of Netherland and a brave warrior. In love with the splendid maiden he hadn't yet seen, he crossed the long distance to Worms, where Kriemhilde dwelt, to ask for her hand.

It was love at first sight for the young couple, but Gunther, Kriemhilde's brother, put a condition on his sister's marriage.

Siegfried was to take Gunther's marriage proposal to Brunhilde, queen of Iceland. Until then, Brunhilde had always defied her suitors, and fought and killed every single one.But thanks to the help of the brave Siegfried, eventually King Gunther managed to marry Brunhilde; in return, Siegfried also was allowed to marry Kriemhielde.

Young, beautiful and in love, the two spent their days full of happiness. But ten years later, a meaningless dispute between Kriemhilde and Brunhilde erupted into a massive conflict.

Driven by a deep grudge, Brunhilde ordered Hagen, a servant of her husband, to kill Siegfried.

After the death of her beloved spouse, Kriemhilde was pushed by despair to transform into some sort of vengeful demon; in order to get her payback over Brunhilde, she married Etzel, the powerful sovereign of the Huns. Then 13 years later, she invited her own family to visit her husband's court.

In order to avenge her husband, Kriemhilde had all the guests slaughtered; beginning with the servant Hagen, who had killed Siegfried, and ending with her brother Gunther, Brunhilde's husband. Kriemhilde's revenge reached heroic proportions, but the woman was struck down by the general Hildebrand, who put an end to her crazed life.
Ah!
